16 DAYS ACTION AGAINST DOMESTIC VIOLENCE

25% of women are affected by Domestic Violence in their adult lifetimes

16% of men are affected by Domestic Violence in their adult lifetimes

16 Days of Action Against Domestic Violence is aimed at businesses to support them to take action against domestic abuse and violence. Employers have a legal obligation to assess dynamic risk and support the health and safety and wellness of their employees. Companies can do more to aid their employees who endure domestic violence, to train those who witness it, and to protect staff as a whole, with the goal of securing safety and mitigating financial loss. Spanning across 16 days from 25th November to 10th
